

# **Takeda Feeding Co.**

## **Feedlot Personnel**

### **Farmhand/skilled operator/cattle operator**

Takeda Feeding Co., at Scandia, AB., is seeking motivated, skilled individuals to join their 19,000 head feedlot, 900 head cow/calf and mixed crop farming operation.

Tasks include but are not limited to:

- Checking cattle in feedlot or pasture
- Feeding cattle in feedlot and pasture
- Assisting with calving
- Monitoring animal water systems
- Operating machinery
- Irrigating
- Completing construction projects
- Welding
- Repairing machinery
- Processing cattle
- Identifying and treating ill animals when required
- All activities related to grain farming
- Putting up silage and hay

The individual must be:

- Reliable
  - Honest
  - Self-motivated
  - A friendly team player
  - Willing to work full-time (35-40 hours/week min) & longer hours during busy times
  - Interested in settling and growing with the company
- 
- The successful candidate would be provided accommodation immediately, if required, in their own separate home with plenty of room for their family. Opportunity for multiple family members to be hired if qualified.
  - Salary is negotiable and commensurate on experience. Overtime may be required.
  - There is a welcoming rural school nearby and a school bus pickup at the farm.
  - The farm is south of the City of Brooks, located in the County of Newell, with multiple larger centres within 1-2 hours drive.
  - The beautiful Rocky Mountains are only a short 3-hour drive
  - The farm is located near one of southern Alberta's rivers and many beautiful reservoirs where residents can camp and participate in various outdoor water activities.
